TozziniFreire Advogados has mergers and acquisitions in its origin. It is considered as one of the largest and most important practice areas of our firm. We are leaders in Brazil's M&A market involving closely and publicly-held companies and also investment funds. The team members have solid experience in the preparation, review and negotiation of investment agreements, purchase and sale of shares and assets, incorporation of associations, joint ventures or strategic alliance in all market segments.

Our lawyers are ranked in the most important legal guides, being recognized for their excellence and business oriented-mind, as well as for the ability to provide prompt responses and innovative, ethical and constructive negotiation approaches towards problem-solving.

The full-service structure is another important feature of our law firm. The practice areas work fully integrated, guaranteeing reliability and 360° services to the transaction, from structuring the deal, conducting the due diligence and negotiating the transaction documents until its closing.
